Jeremy Aug 29, at AM Pencils are my nemesis. Also, it is normal for a 7-year-old child to not do well with story writing and creativity. Back Psychology Today. For brainstorming, pens are my weapon of choice. Like during algebra, I'll blurt out the multiple answers to the problem my teacher is working on as she's going through the process. Definitely ask your teacher to reassign your seat so that you are not in front of someone else who is easily distracted. One of the books that helped me was "What Color is Your Parachute". Then he created word scrambles and crossword puzzles out of the names of the elements.
