Manualage: lang-age is the expression of the langue or phonatory, laryngo-buccal apparatus. The new currents in language study include a diversity of assumptions and methods, and anyone searching for a new approach would have to make clear choices among alternatives, or make do with profound internal contradictions. Paris mon amour.

Bilateralism and mimism: the anthropos, this is to say the living human being

I have never experienced any interest whatsoever in these things painted in red, blue, and green and presented in such

extraordinary poses. That has evidently given me a very powerful memory, but at the same time, it has ordered all my observations and my reading.

The resulting practice no longer supplies the marketplace, it provides food in Literature. Google Scholar.
