At a recent family gathering in Florida, for example, my family and I were convinced that my year-old mother, who was slurring her words and losing her balance, had suffered a slight stroke. Best news, she's very happy that she started working out and she adores Sam and Rita. Between the dates of August 28, and May 28, referrals were received for Dignity Therapy.

You cannot count on most parents to help with their busy schedules, but now we need to help it with a good diet and positive thoughts. Aim for your face!

In her 32 years as an instructor, she's worked with several students with Parkinson's. These are wonderful little pieces that inspire creativity and musicality.
