If you have questions, please contact support findagrave. Ruby takes what little money she has saved up telling fortunes, and heads for Old Orchard, Maine. If the problem persists contact Find A Grave.

Energetic, lightly humorous, evocative of summertime of long ago. I totally enjoyed the characters and how some of the book was spoken in first person by the protagonist Ruby Proulx, and other parts of the book were done in third person to get a wider view of what was happening. All is well and fine until one guest is found murdered on the beach.  
Stickney is out to debunk it. Sort order.
