In all the pieces, there is a tie to technology, be it as strong as an anchor cable, or as tenuous as a spiderweb. The social aspects of technically mediated relationship with the surrounding urban space calls for novel anthropological insights, especially in terms of continuous production of common experience, generation, after generation, accumulating new urban commons. MoreInformation. Burns spiders' net with incense stick in the alcove paper deity unmoved by prayers for safe sojourn in the new city She repeats my ills to express her anger but I know only her love Insomnia blaming her not old age

Foranarchivalresearcherinvestedinmemoryandmemorializing,theironyc of Everyday Life. Roses await sun and wind to clear the baleful fog: I fear she'll say no to my love again
