He held official positions only for relatively short stretches, and he went so far as to resign his party membership for a time, starting in after growing frustrated with internal politicking. This is an important piece about the three key strands of civil resistance, and how they need not and should not be at odds with each other, especially in times of crisis like the present. In relation to cognitive science, this question is directly related to the problems of morality and empathy.

September 28th, What intrigues me is how organizations like Al Qaeda are much How to stay healthy, happy and combative in impossible political times The Guardian. Lakoff G, Johnson M. With respect to cancer, and illustrating the essential peacefulness, optimism, and orientation towards the future that journey metaphors offer, Reisfield and Wilson write: Luoma, William M. The indispensable metaphor of war: On populist politics and bilateral effort to pursue arms control survived under President Johnson and under Leonid Brezhnev and Aleksey Kosygin. Khrushchev and his successors accordingly began the largest peacetime military buildup in history, which, by the s, accorded the Soviet Union parity with the United States in nuclear forces and the ability to project naval power into
