Join the course Facebook page here! Considering the importance of top management as key drivers in this process, first steps should include their participation in the learning process. Culture and core values: Collins and Porras found that one of the critical success factors of business was culture. Thedarkofnightlastsmuchlongerbeforethedawncomes,becausethefearoft Its knowledge sources are also based on the Arts, Philosophy, and on Spiritual Traditions life wisdom. Instead, the three-day Convergence will draw on self-organizing processes that support the emergent discovery and self-management intrinsic to integral practice.

WhenIfacilitate,Itrytolistentointelligencebeyondmyownknowledgea my view, evolutionary leadership is an expanded and expanding notion of leadership. The scientific view of management and the values it entails objectivity, efficiency, productivity, profit is merely one approach to the complex reality of organizations that must coexist peacefully with the other dimensions.
