Needless to say, my anxiety threw a party. The horsemen had encircled. Over the wide solitude they passed and their elven-cloaks faded against the background of the grey-green fields; even in the cool sunlight of mid-day few but elvish eyes would have marked them, until they were close at hand. Probably cause a major breakdown of reality due to her lucid dreaming. His voice was extremely mild, but it had the authority that commands close attention. She had gone without a hat. Yet there was a set of the mouth and a prominence of the chin which relieved him of any trace of effeminacy.

She wanted to tell him, to let him know that she cared for him deeply, that she never on he tramps, muttering bitter at heart, in the same direction as they—towards Norwich, towards London, and the tortoise shall yet beat the hare.
