Dealer transfers the shuffled pack to his right, where his opponent cuts it into two packets, each containing at least four cards. This double can be redoubled by an opponent. Six Card Golf Learn to earn the lowest number of points to win in this six-card game.

The standard card deck is used. A cheaper but less satisfactory method is doubling and redoubling. Any player may double the last preceding bid if it was made by an opponent. The dealer is always the first to bid in a round of bridge. I am now using it to teach a few others, so we can have a team.

Sometimes the agreement is that after a certain bid both partners agree to keep you are dummy, you are still allowed to peek at your own played card, without exposing it until the lead is made to the next trick. In rubber bridge, a partnership wins one game once it has accumulated contract points; excess contract points do

not carry over to the next game.
