We did press outreach. This field is for validation purposes and should be left unchanged. Yourstore. Since those products are associated with self-indulgence, people feel more selfish if they would rather purchase that hedonic product than donate to the cause. Until they do, charitable nonprofits have the obligation to treat crowdfunding like any other fundraising activity – which means that charitable registration requirements in up to 39 states are likely.

So those are the two features we emphasized. After all, it is good publicity for we led with how we were solving a problem. I scoured the academic research on crowdfunding, philanthropy, and helping behavior to understand when and why people donate money and how you can use those principles in a crowdfunding campaign.
