In the early 3rd century, the Canons of the Apostolic Constitutions decreed that only lower clerics might still marry after their ordination, but marriage of bishops, priests, and deacons were not allowed. I agree with you: romances revolutionized the way sex was written and viewed in fiction, but it became way too hung up on the Heroines Shall Feel Pleasure Only at the Hands and Cocks of the One True Hero trope, and now other related genres are exploring other avenues of female sexuality in fiction. Celibacy is viewed differently by the Catholic Church and the various Protestants. Erotica and erotic romance have done a better job of blasting

through a lot of these walls, in my opinion, and portraying more sexually empowered women. I'm not a man-hater - quite the opposite; having spent so long without any men under my feet, I have had the chance to appreciate their company more than I would have .
