The base, which is one of two official Marine Corps training depots its West Coast counterpart is in San Diego is made up of a series of quads, each composed of identically nondescript barracks and administrative buildings ringed by manicured fields. Americans understand some of the lifelong issues many wounded warriors face, but the plight of their caregivers is still something few outside the veteran community understand. All enlisted Marines receive an additional 29 days plus MOS School or 59 days of training to expand upon the basic combat skills developed during recruit training.

Learnmore-opensinnewwindowortab. As I recall boot camp was only 8 weeks and ITR for non grunts was just 2 weeks. I stepped off the bus and into the yellow footprints sometime late during the night of Jan.

We had to march a unit from one place to another and none of us knew how to do I wrote a book about all that stuff. Want to Read saving...
