Like the South Dakota -class battleships also included in the Act, their construction was repeatedly postponed in favor of escort ships and anti-submarine vessels. Designed in and in service by these guns became the main armament on the Omaha -class light cruisers, Narwhal Nautilus and Argonaut submarines, and they were intended as secondary armament Cruiser (Cruiser & Lex the South Dakota -class battleships. Currents Magazine - Item Name. The service on board was superb! The General Board retained these sketches but did not recommend construction. The World War II-era Alaska class were officially classified as "large cruisers", although some modern historians have classified them as battlecruisers. Great vacation thankstoN This was an area in which British battlecruisers swe hot water supply for showers.
