Who was right – Alfred or Odda? He goes from coughing to unconscious and dying in about two minutes.

I've seen very few TV shows that cover extremely sophisticated characters. Dreamfyre was the only one to break free of her chains; she flew up to the top of the domed pit, cracking it. Snape and Dumbledore then locked eyes with each other for a silent moment; and Snape then cast Avada Kedavra, which struck Dumbledore in the chest, instantly ending the life of one of the greatest and most powerful wizards of all time. The quarantine in Omega is in place because of a disease that starts off as a simple cough. We follow Will on his journey as he first offsets out to satisfy his need for blood, especially love his description of Will waking up for the first time.
