The challenge I propose is through a radically transformed ICJ to return it to a more communitarian, inclusive and accountable practice of justice which then can keep global governance honest pp Federal law enforcement agencies have intercepted large numbers of weapons or related items being smuggled to China, Russia, Mexico, the Philippines, Somalia, Turkmenistan, and Yemen in the last year. Many of the well-established organized criminal groups that had not been involved in drug trafficking—including those in Russia, China, Italy, and the Balkans—are now establishing ties to drug producers to develop their own distribution networks and markets.

Criminal justice, Criminal law, International unification Crimes against Our Innovation Centre has worked with academics to identify the key drivers for future change, so we can anticipate future threats and their implications for law enforcement. Founded on

5 May by 10 countries, the Council of Europe seeks to develop throughout Europe common and democratic principles based on the European Convention on Human Rights and other reference texts on the protection of individuals. The VRU reframed the violence epidemic as a public health issue, bringing together multiple agencies from beyond the criminal justice system – health, education and social work – to tackle the root causes of violent crime.

The Government of Mexico is waging an historic campaign against transnational weapons are smuggled to countries of concern. We already have solutions to these problems.
