So I think that actually we have a much more healthy sexual relationship than you might expect, but that it doesn't fit any easy definition. We made plans, but they fell. This script seemed to allow both straight and lesbian women to view less sex as natural and therefore less distressing.

It doesn't mean compulsory sexual activity with women. All interviews were digitally recorded, transcribed, and reviewed for accuracy. I would text Lynette and my lesbian group chat at the airport before my red-eye flight, suddenly struck with the reality that this was all actually happening. It's a whole different world and... it's hard for people on the outside to really even sometimes understand it... If you just looked at our sex life on paper and were just talking about how often do you have sex and all you wanted was a number, it might A Straight Married Womans First Lesbian Encounter actually sound like it fits the definition of a healthy sexual relationship, but we have to work harder at that aspect of our relationship, and we have to think about it more, and we talk about things.

Then she arched one eyebrow, stood up, insisted on paying for our drinks and pu it doesn't seem to affect us, you know, like it's not that someone wants to have sex and the other one doesn't; it's like nobody wants to, so... So what are we going to do about that, and does it matter? Lesbian spouses who framed their experiences this way used nongendered language and typically did not report distress related to sexual changes.
