Like the colonization of the Americas and the Atlantic Slave Trade, it was systemic violence –organized, continuous, methodic, and willful. American Studies. Not only do they affirm or imply that they alone know best what is good for the individuals or groups they claim to help but also they devalue and infantilize them by their approach that actually replicates the situation of oppression.

Michael,EdwardO.SlavetradeinAfricadatesbacktothemid-fifteenthcent  
Worldview, culture, analytic thinking, and historiography can all be used as tools of analysis, and in the process of discovery, use pedagogy, and survey research of Africana history. This is colonization of individual and group behavior, nationally and internationally.

CanadianJournalofAfricanStudies,1JeffForret.That is why traditional approaches to therapy and international peacekeeping missions fail with people caught in colonial oppression and associated devaluation. Without cookies your experience may not be seamless.
