Charles Correa with essays by Kenneth Frampton. And then I breathe for a bit and do the second set. That's why I'm reading a book on South Africa in the first place.

Trust me when I say that this book will take you to surprising emotional places. We can follow the example of those who remembered that the role of an activist is not to navigate systems of oppressive power with as much integrity as possible, but rather to confront and take down those systems. They find people they have affinities with, they learn what they need to, and so on. To be honest, Americans need to step up their game in many things. But the most every copy of the cookbook sold one will be donated to a family in need to ensure that those who need it most receive it.
