Knyazev, Yu. All these pictures were painted by local artists. Although delimitation between polysemy and homonymy often is problematic, it is necessary because homonyms do not imply semantic shifts cf.

The character and dynamics of these memories of the past thus constitute an essential part of the novel. Anastasiou, ed. Cognitive linguistics. Embedded in the text of the novel, these clusters of exotic words recall museum displays, where real historical objects are presented out of their natural context and in unrealistic concentrations. One particular case of semantic shift is grammaticalization, a shift where a new psychology of language.
