Welcome sign in sign up. Real value is added not only by the illustrations, which are neatly woven into the narrative, but also by the copious captions which add some 35, words which introduce new material and expand on subjects sometimes lightly touched in the original. The economic pressures, the immigration bringing growth and conflicts, the efforts of the southern states to maintain a hold on power in the face of growing imbalance.

It has minor wear on bottom edge. Seller: InfoSpec Published: Condition: Good. See our User Agreement and Privacy Policy. It is the story of mankind attitudes toward equality and freedom and highlights questions that have not been totally resolved, even today in the 21st century some years since the end of the war. Military History.

Book is as described - all defects and marks are noted. Condition: New. Omitting nothing important, whether military, political or economic, he yet manages to make everything he touches drive the narrative forward. A religious awakening was sweeping the North generating moral and cultural reform movements, especially a push for the abolition of slavery, which would put the northern states on a collision course with the South.
